## General

The Dashboard is the hub for all the QC Pro tools. It provides single sign-on access to the Coordinator, Editor, Director, Admin, and API Documentation sections, as well as links to the Apple IOS mobile applications, windows desktop tool and links to Coordinator notifications.
Quick Guide to the Dashboard

1. Navigate to https://qcpro.onsiteag.com/dashboard and enter your username and password
2. Click Login
3. To navigate to other tools, left-click one of the available options
4. To access companion applications, simply left-click an option
5. To view a notification, left-click an item
